Once a PNF Plan is approved by Local Land Services, all forestry operations must be carried out in accordance with the applicable Private Native Forestry Code of Practice (PNF Code), as current at the time of operation. Prior to carrying out forestry operations under this PNF Plan, advice should be sought from Local Land Services to identify the applicable PNF Code.

Any person who carries out forestry operations under this PNF Plan must comply with the requirements of the applicable PNF Code. This applies to both landholders and any other persons who carry out forestry operations.

This PNF Plan is to be in effect for the period specified in the approved Plan.
